## Advanced Storyboard:

## Trello progress:

## Presentasjons spørsmål:

### Åbningsreplikken:

1. Et problem
2. En vision
3. En kort historie
4. Et citat
4. Noget der tiltaler
5. Et provokerende spørsmål
6. Noget der giver lyst til at blive for at få slutningen med!

### presentasjonsteknikken:

1. Fang opmærksomheden
2. "Needs" - Hvilke behov dækkes?
3. "Approach" - Hvordan dækkes behovene?
4. "Benefits"- Hvad får brugeren ud af det?
5. "Competition"- Bedre end alternativerne!
6. Action - Opfordring til handling.

### 1 test:

- Front page:
  - About Us burde ligge nederst, da det ikke er de flestes 1.prioritet.
  - De første 3 kategorier giver mening, men 4. Kan virke intimiderende og kan bekymre/forvirre brugerne hvor de skal trykke.
  - Formativ, basic funktioner
- Typografi:
  - Fonten til kategorierne er mere opmærksomhedsvækkende end den med logoet.
  - Visuelt kunne instagram posten se mere behageligt ud
  - Slet borders
  - Ikke hvid/beige til insta
- Rules
  - Virker tomt forneden
  - Rykke grafiken ned og centrere boksen
  - Skifte ikonet ud med dots and lines
- About us
  - Ser tomt ud, især i bunden.
  - Få vist hvem der er med i teamet

Generelt set passer farverne og grafikken.

### 2 test:

- Siden: ser fedt ud, mega godt, kan lide at der er mange valgmuligheder, visuelt.
- Teksten og farven på ikonet i about us passer ikke helt sammen
- Ikonerne skal være i samme bås, "ligne hinanden".
- Super baggrund
- Rules:
  - Centrér boksen.
  - Mere luftig tekst
